Kerry,

Yes, your below email adequately documents the response from Packless Metal Hose, Inc. that it intends to enter into settlement negotiations with EPA, although it does not acknowledge any liability in connection with the site.

The EPA is now accumulating and calculating its incurred past removal costs at the Site. When the total cost is determined the EPA will notify you, the representative of Packless Metal Hose, Inc. of a time and place for planned negotiation on this matter.

Thanks.

Bob, As you know, my firm represents Packless Metal Hose, Inc. ("Packless"). Following up on your email to me on or about September 15, 2015, this will confirm that Packless intends to enter into settlement negotiations with EPA, although Packless does not acknowledge any liability in connection with the site. Please let me know if this does not constitute a written response from Packless as requested in the July 2, 2015, General Notice Letter. Thanks very much for your help. Kerry Haliburton
